

WSM SPECIALTY GASES – KEYWORD LIST FOR SEMRUSH VALIDATION

=====
Copy each group into Semrush Keyword Overview (up to 100 at a time)
Set database: United States (EN) and then separately Latin America
markets (ES)
=====

===== GROUP 1 – LIQUID HELIUM (Star Product) =====

liquid helium supplier
liquid helium for MRI
liquid helium delivery
liquid helium dewar
helium MRI refill service
buy liquid helium
liquid helium price
liquid helium supplier USA
helium for MRI machines
MRI helium fill service
liquid helium dewar delivery
helium coolant MRI
liquid helium NMR
cryogenic helium supplier
helium transfer service

===== GROUP 2 – GASEOUS HELIUM =====

gaseous helium supplier
helium gas supplier
helium leak detection gas
helium for leak testing
helium gas cylinders
industrial helium gas
helium balloon gas supplier
helium semiconductor grade
helium welding gas
helium carrier gas
compressed helium gas
helium grade 5.0
helium 99.999 purity
high purity helium
helium gas delivery

===== GROUP 3 – UHP & RESEARCH GRADE GASES =====

UHP gases supplier
ultra high purity gases
UHP nitrogen

UHP argon
UHP helium
research grade gases
electronic grade gases
high purity gases supplier
99.999 purity gas
UHP gas cylinders
pure gases supplier
laboratory grade gases
analytical grade gases
instrument grade gases
semiconductor process gases

=====

GROUP 4 – CALIBRATION GASES

=====

calibration gas supplier
calibration gas mixtures
4 gas calibration mix
calibration gas for gas detector
EPA protocol gas
bump test gas
LEL calibration gas
span gas supplier
calibration gas cylinders
H2S calibration gas
CO calibration gas
multi gas calibration
quad gas mixture
portable calibration gas
disposable calibration gas cylinder

=====

GROUP 5 – SPECIALTY GASES & MIXTURES

=====

specialty gas supplier
specialty gas mixtures
custom gas mixtures
multi component gas mixture
sulfur gas mixture
EPA protocol gas mixture
NIST traceable gas standards
certified gas mixtures
reactive gas mixtures
toxic gas mixtures
gas chromatography carrier gas
laser gas mixture
medical gas mixtures
rare gases supplier
noble gases supplier

=====

GROUP 6 – BULK CRYOGENIC

=====

bulk gas supplier
bulk liquid nitrogen
bulk liquid oxygen
bulk liquid argon
bulk CO2 supplier
ISO tank gas delivery
cryogenic gas supplier
bulk gas delivery
microbulk gas system
cryogenic liquid delivery
industrial gas supplier
bulk gas Latin America
ISO container gas transport
cryogenic tank delivery
liquid nitrogen bulk price

=====

GROUP 7 – GEOGRAPHIC / LOCAL

=====

industrial gas supplier Miami
gas supplier South Florida
specialty gas supplier Florida
helium supplier Miami
industrial gases Miami FL
gas company near me Miami
compressed gas supplier Florida
medical gas supplier Miami
industrial gas delivery Florida
gas supplier Latin America
industrial gas export Caribbean
gases supplier Central America
helium supplier Latin America
bulk gas export Miami
gas supplier South America

=====

GROUP 8 – SPANISH KEYWORDS (Run in Semrush with ES database)

Set Semrush database to: Mexico, Colombia, Chile, or "All"

=====

proveedor helio líquido
helio líquido para resonancia magnética
gases especiales proveedor
gases de calibración
gases UHP ultra alta pureza
proveedor gases industriales Estados Unidos
suministro gases a granel

helio gaseoso industrial
gases especiales laboratorio
exportador gases industriales Miami
mezcla gases calibración
gases alta pureza
proveedor helio gaseoso
tanque ISO gases criogénicos
gases medicinales proveedor

=====
GROUP 9 – LONG TAIL / HIGH INTENT (often lower volume but high
conversion)
=====

ISO 17025 calibration gas supplier
ISO 17034 reference material gas
certified reference material gas
PGVP protocol gas vendor
helium dewar 250 liter
helium dewar 500 liter
zero boil off helium
MRI helium fill near me
calibration gas cross reference
4 gas mix CO H2S LEL O2
BW equivalent calibration gas
MSA equivalent calibration gas
RAE calibration gas equivalent
private label calibration gas
white label gas supplier

=====
SEMRUSH INSTRUCTIONS
=====

1. KEYWORD OVERVIEW (Quick Check)
 - Go to: Keyword Overview
 - Paste up to 100 keywords at once
 - Set database: United States
 - Look at: Volume, KD% (Keyword Difficulty), CPC, Trend
 - Export results as CSV
2. KEYWORD MAGIC TOOL (Discover New Keywords)
 - Enter seed keywords like "liquid helium" or "calibration gas"
 - Filter by: Volume > 50, KD < 60
 - Look for long-tail opportunities WSM can rank for
3. COMPETITIVE ANALYSIS
 - Go to: Domain Overview
 - Enter competitors: airgas.com, messer-us.com, airproducts.com, matheson.com
 - Check: Organic Keywords tab

- Filter for keywords containing: helium, calibration, UHP, specialty gas
- Find gaps where competitors rank but WSM doesn't

4. WHAT TO SHARE BACK

- Export the Keyword Overview results as CSV
- Share it here and I'll:
 - a) Prioritize keywords by opportunity score
 - b) Adjust page content to target the highest-value terms
 - c) Write meta titles & descriptions for each page
 - d) Create blog post topics based on informational keywords
